To Whom It May Concern

Re: **Reference for Brady Contracting Pty. Ltd.**

I confirm that Brady Contracting Pty. Ltd. have just completed the Masters Bundall project, at 100 Bundall Rd, Bundall, for J Hutchinson Builders Pty. Ltd.

Brady Contracting installed all Hydraulic Services associated with the development comprising a 14,500 sq retail space.

Services included – storm-water, sewer, potable water, fire hose reel and hydrant services.

Brady Contracting Pty Ltd provided a professional workforce throughout the project, ensuring all quality, program and budget targets were met. The standard set by Brady Contracting was a major contributor to the success of the project.

I would recommend Brady Contracting and there workforce for any similar construction project without hesitation.

Yours faithfully
