To Whom It May Concern

**Reference for Brady Contracting Pty. Ltd.**

I confirm that Brady Contracting Pty. Ltd. have just completed the Carlyle Apartments project, at 23 Carlyle Street, Mackay, for RCQ Construction Pty. Ltd.

Brady Contracting installed all Hydraulic Services associated with the 6 level development comprising 59 dual key apartments, café tenancy, administration office and carpark. Services included – stormwater, sewer, potable water, fire hose reel and hydrant services.

Brady Contracting Pty Ltd provided a professional workforce throughout the project, ensuring all quality, program and budget targets were met. The standard set by Brady Contracting was a major contributor to the success of the project.

I would recommend Scott, Jake and there workforce for any similar construction project without hesitation.

Yours faithfully
